

Top 5 Edible Brands

Big Pete's Treats

Consumers with pain, anxiety, or insomnia use edibles to provide relief, relaxation, and REM sleep. Our customers love [Big Petes](#), a family business with Santa Cruz soul, dedicated to baking cannabis cookies that are tasty, consistent, and effective.

Their [Sativa Cinnamon & Sugar Cookies](#) are a buttery delight. Pete's simplest cookie, baked to perfection to be crispy on the outside and chewy in the middle. Great with coffee and delicious with a glass of milk, making it a patient favorite

Froot

The highest quality products in California, at the best price. CA's best-infused pre-rolls, gummies, and other canna products.

[Froot](#) only uses the highest quality cannabis oil to infuse into their edibles, creating an incredibly tasty consistently dosed Froot chew every time.

[Blue Razz Dream Gummies](#) are one of our customer's favorites. Blue Razz traces its origins to an unknown American breeder. While little information exists about its parent plants, Blue Razz is commonly enjoyed in vapes as an Indica-leaning hybrid.

AbsoluteXtracts

[AbsoluteXtracts](#) prides itself on providing patients with pure, potent, and safe cannabis concentrates.

One of their best sellers is the popular [200mg Single-Dose Soft Gel](#). Potent cannabis oil in an easy-to-consume soft gel capsule makes for a price-effective solution that's appropriate for consumers with a high tolerance for everyday use.

Warning: 200mg THC is considered a very high dose for most experienced cannabis users.

Wyld

[Wyld](#) was founded in 2016 to create best-in-class cannabis edibles using real fruit and natural flavors. The popularity of Wyld has been built with flavors inspired by their love of nature, high-quality ingredients, consistent dosing, and one goal in mind: to produce the best-tasting edibles in the world.

[Huckleberry Hybrid](#) gummies are made with real fruit and enhanced with a balanced hybrid terpene profile that may assist in creating a sense of cheerfulness and overall well-being. Ideal for your day-to-day adventures!

Finding the right dosage can be intimidating. Wyld believes in a measured approach [Click here](#) to learn more about finding the perfect dosage.

Kanha

Kanha strives to lead you on a joyful journey with delicious, all-natural, and reliable cannabis edibles.

Kanha gummies are made with all-natural ingredients, coloring, and flavoring. Each gummy is infused with the highest quality cannabis oils to provide the most consistent, safe experience on the market.

Their high-selling [Cherry Sativa Gummies](#) are juicy, sweet, and made with Sativa terpenes, which induce a stimulating and uplifting state of mind.
